

10th Annual Arizona Myeloma Network
Myeloma Research Roundtable
Next Generation Immunotherapy & Launching MoonShot for Cancer
Friday, March 18th, 2016 Earn 5 CME/CMU's
 Embassy Suites (Formally Chaparral Suites) Ballroom, Scottsdale, Arizona
Moderated by Joan Koerber-Walker, President and CEO, Arizona BioIndustry Association

Our goals for the Roundtable are for collaboration, innovation, and implementation from all professional disciplines. Our hope is for Clinicians, Researchers, Medical Educators, Students, Pharmaceutical Representatives, and Community Oncologists to join together to close the gap between Evidence-Based Medicine and Personalized Medicine. We will learn about Multiple Myeloma Cancer research, treatments, and clinical trials currently offered. We will leave this event feeling empowered and better equipped to combat Multiple Myeloma.
