

To whom it may concern,

Barbara Kavanagh is an outstanding individual who has done much to bring awareness, to promote research and education about Multiple Myeloma cancer, She has aided countless cancer survivors as well as people being faced with the horrible diagnosis for the first time by providing support, information, advocacy, education, through her organization Arizona Myeloma Network. She is totally responsible for this wonderful benevolent organization, inspired initially to help her husband Jack who was diagnosed with Multiple Myeloma several years ago.

Through AMN she organizes conferences with doctors, researchers and medical professionals that are attended by people involved with the disease. She chairs fundraisers for research, applies for grants, offers support and advocacy, information, resources and maintains a website. She chairs an annual golf tourney in the fall which so far as been a successful fundraiser. This lady is dedicated and capable and will continue to fight Multiple Myeloma, offering comfort, and help to all who suffer with this disease. She has been an inspiration as well as a friend to me and my husband Alan who has Multiple Myeloma.

With all our hearts we endorse Barbara Kavanagh's nomination.

Sincerely Eileen and Alan Roth
