

Thanks from Arizona Myeloma Network

There are too many people to 'thank' and they know 'who' they are because they 'help us' every day! Most of all, Jack and I thank the many cancer patients and their loving caregivers who are our friends and inspiration.

And, we thank all of you: Our Board members, sponsors, golfers, volunteers, and Staff for your contributions to our 12th Annual Out Drive Cancer Charity Golf Event.

We also appreciate the amazing myeloma researchers, clinicians, and health care professionals who are working every day to help us and find new and better treatment for all cancers. And, hopefully, 'soon' ...to find a cure!

Tournament Director:	Stacy Pray, <i>Gateway Golf Group</i>
