## A note from the Founder...

Dear Friends,

Jack and I appreciate all your best wishes for Jack's speedy recovery this summer and report that Jack is much better and getting stronger every day!

We had a successful 2017 and remind everyone to register for the December 2nd cancer caregiver seminar. "It takes a 'village' to help a family impacted by cancer!", a recent attendee told me.

On Dec 2nd you will learn how to cope with any added Holiday stress, engage family and friends to share the care AND relieve you, the primary caregiver, of routine errands. It is all about increasing the 'circle of care' for both the primary caregiver and the patient. Meet over 12 local support, service and resource organizations who are here to help.

Bring the family, enjoy breakfast and a Special Holiday Raffle.

We wish all of you a very peaceful and loving Thanksgiving, Hanukkah, Christmas and a very happy and healthy New Year!

-Barbara and Jack
