Awareness. Advocacy. Education.

A note from the Founder...

Dear Friends,

It has been a busy few months "teeing off" the New Year on Saturday, January 20th, at the Stonecreek Golf Course with nearly 100 golfers, lunch guests, and volunteers. We had unusually "grey" and windy weather, but the sunny "spirit" from all who participated made for a great day of golf and fund raising!

We especially appreciated the many wonderful raffle and auction items that were donated and the generosity of our sponsors. Special Thanks to the Embassy Suites by Hilton, which offered a special AzMN rate at their hotel to accommodate our "out of state" guests. Roxanne Spinelli, the Food and Beverage Manager provided a lucky Raffle winner with a 1 night stay at this lovely hotel. Also, Embassy Suites will be hosting our upcoming Cancer Caregivers Conference on Saturday, April 28th. See details in our upcoming events section.

We were able to see "old" friends and made many new ones at our annual golf event. Most important, we were able to raise awareness about the challenges that cancer patients and caregivers face every day! You can see a list of sponsors and donors on our website as well as fun photos from the day.

We are excited about our upcoming, March 24th joint AzMN /MMRF Myeloma Summit, featuring exciting faculty including Dr. Leif Bergsagel, Mayo Clinic Cancer Center, researcher and clinician, as well as other Mayo faculty and two of our other wonderful friends: Jonathan Keats, TGen and Ken Anderson, Dana Farber Cancer Institute, Boston.

We are looking forward to a very exciting and successful 2018 as we continue to develop and expand our FREE cancer caregivers programs throughout Arizona. Our goal for 2019 is to be able to offer our Cancer Caregivers Education Programs, CCEP® on a National level and also on the internet via "webinars" so that the thousands of cancer caregivers in Arizona and throughout the U.S. can benefit from the information and resources to take better care of the caregiver and the cancer patient.

We are working on our social media and welcome hearing from all of our readers and having you help us share our "news" and contribute your own ideas and concerns. You can contact our Program Coordinator, Jennifer Edelen or ASU Intern, Juliana Evans at : admin@azmyelomanetwork.org

Warm regards and see you all soon!

-Barbara and Jack Kavanagh
